

Bug Report

ID: BUG_01

Title: End Date field stores incorrect value after input

Steps to Reproduce:

1. Navigate to <https://www.eba.europa.eu/single-rule-book-qa/search>
2. Accept cookies if prompted
3. Locate "Publication start and end date" fields
4. Enter:
 - Start date: 01/01/2025
 - End date: 31/01/2025
5. Click on "Search"

Expected Result:

- Start date is stored as "2025-01-01"
- End date is stored as "2025-01-31"

Actual Result:

- Start date stored correctly as "2025-01-01"
- End date stored incorrectly as "12025-03-10"

Description:

- The date filter does not work as expected
- Users cannot reliably filter results by publication date

Severity: Medium

Priority: High
